**Open Day**

Our second Open Day on Saturday 8<sup>th</sup> October 2016 proved another great success. We had 16 new families tour the school and a further 50 visitors. Many thanks to all the Pupils, Parents & Grandparents who also attended; the atmosphere was again vibrant and purposeful.

**Safeguarding - Car Park**

In order to ensure that all our children arrive and leave SPSP safely can we once again politely remind parents of the following?

- The school drive and car park has a 5 mph speed limit - please adhere to this
- The car park operates on a one-way system - please be patient and understanding when vacating Brambling House after dropping off or collecting your child
- Drivers are expected to stop at the 'zebra crossing' area, which goes across the driveway to the playground pedestrian gate, if pupils and parents are approaching or waiting to cross

As the weather changes and we experience darker mornings and evenings it is imperative that all adults drive cautiously and safely at all times; observing the systems in place at all times. Our children's safety is paramount and driving slightly above the 5 mph speed limit puts them at risk - please help us to keep them safe.

**Harvest Festival Assembly**

All parents are welcome to come and join us at our Harvest Festival Assembly on Friday 21<sup>st</sup> October 2016 at 2:30pm in the Sports Hall. Merit Certificates will be given out at the beginning of the Assembly. Parents are welcome to take their children after the Assembly. For those that are not able to attend, children will be supervised until 4:30pm.

### Reception Progress Appointments

Thank you to all Reception parents who met with Mrs. Priestley and Miss. Douglas last week. Hopefully you all found the Progress Appointments beneficial and welcomed the opportunity to meet the staff. If any parent requires a further appointment in the future, please feel free to contact the school.

### Eco Council - Recycling!

Many thanks to Mr. Smithers for the kind donation of new paper recycling boxes to help with our drive to be a zero to landfill school. They are very gratefully received and will be in all of our classrooms as soon as possible.

### This Week's Fixtures

On a wet and wild Tuesday afternoon the U9 Girls Hockey travelled to Barlborough to take on their U9 Girls. The girls started brilliantly, scoring in the 1<sup>st</sup> minute and again a few minutes later. They played with great determination, fighting endlessly to keep possession of the ball. The game ended with a 2-1 victory to SPSP! The girls can be extremely proud of their efforts; they are improving all the time thanks to their hard work in training. Well done to all the girls and thank you to parents for coming to support! On the same afternoon the U9 Boys Rugby took on Barlborough & S. Anselms back at SPSP. The first game saw S.

Anselms run out 8-1 winners against SPSP, although the boys did perform much better in the second half it was the damage done in the first that decided the score line. Freddie Sanders did grab a consolation try in the final seconds to give them some confidence going into the second match. Against Barlborough, the boys played much better. Although they conceded a try early, SPSP fought back through a try from Freddie Mason this time. Daniel Edwards also managed to get the ball over the line but was sadly bundled into touch. With the scores close, it was anybody's game, however in the second half Barlborough managed to bag a couple of tries which took the game away from SPSP. The final score was 5-2 in favour of Barlborough. Well done to all the children who took part in matches on Tuesday!

On Wednesday afternoon the U10 Girls Hockey participated in a keenly fought match against S. Anselms. Although the girls finished on the wrong end of a 3-1 score line they certainly played with plenty of passion and pride in what were very wet and tricky conditions. Truth be told the score line flattered S. Anselms as SPSP were guilty of missing a handful of very good chances to score. All the girls can be proud of their efforts and can be pleased with the progress they are making. The U10 & U11 Boys Rugby sides were also in action on Wednesday afternoon. The U11's travelled to Wellow, whilst the U10's played the same opposition back at SPSP. The U10's narrowly lost a thrilling game 15-13! All the boys played their part and they played much more like a team than in recent weeks. Everyone contributed and they can be pleased with their efforts. The U11's also tasted defeat 7-0 against a well organised Wellow side. The boys played with plenty of spirit and did extremely well to contain their opponents for much of the game. Well done to all children!

### Sport Assembly

This week Brianna Ingley, Callum Holmes, Isabelle Boswell, Olivia Smithers, Samuel Knights, Sam Ottewell Cole, Georgiana Pollard & Emily Kong were recognised during Sport Assembly for their sporting achievements gained outside of school. Certificates were awarded for Dance, Kickboxing, House Riding, Swimming, Ice Skating & Football. Well done to all children! If any other pupils gain sporting success away from school and would like to be recognised during the Sport Assemblies please contact Mr. Lamb on [pedept@spsp.org.uk](mailto:pedept@spsp.org.uk)

Natalya was Head Girl at St Peter and St Pauls in 2014/15.

She died unexpectedly in October 2015. At that time she and her sister, Laurena moved to Ramby - part of Worksop College to continue there education.

Her sister returned to St Peter and St Pauls in September 2016.

Hugh, George and Ben, her best friends at SPSP decided to raise money in her name for

THE CHILDREN'S BEREAVEMENT CENTRE and  
ASTHMA UK

They will walk from SPSP to Kinder Scout - a distance of approx. 56 km.

October 29<sup>th</sup> was Natalya's birthday, she would have been 13 years old this year.

Please remember her birthday by helping the boys raise money in her memory. Log on to:
