Children in Need Day - Friday 18th November 2016

All the SPSP children arrived at school today in 'bad ties' for Children in Need. The morning started with an assembly containing a video featuring Andrew Davies, ex-SPSP Head Boy, who is taking part in the Children in Need Team Rickshaw Challenge 2016. Afterwards the Children went to their Tutor Groups to place the money they had brought in onto their ties. Overall the School raised £336.09 on the day with the final total to be confirmed on Monday. Year 4 raising the most money with a grand total of £81.01! A fantastic effort from all the children, well done!

Maths Challenge 2016

All our children in Year 5 & 6 took part in the Maths Challenge 2016. Certificates were handed out to all the children who took part with the top places going to Joseph James in 3rd place, Oliver Spiby & Phoebe Jackson in joint 2nd place and Sarah Morton recording 1st place with the top score in the school. Well done to all the children!

Year 3 Skeleton & Bones Workshop at Weston Park Museum

Year 3 enjoyed a trip to the Skeleton and Bones Museum at Weston Park in Sheffield on Monday 14th November 2016. As part of the workshop the children learnt to piece together a human skeleton which has reinforced their Science work for the Autumn term. The children also drew some fantastic pictures of skeletons, explored the bones of animals, investigated animal diets and learnt many new and exciting facts.

This Week's Fixtures

Just the U9 Girls were in action this week as they travelled to Barlborough Hall to take part in a Hockey Festival on Tuesday afternoon. Games were played against Westbourne, Barlborough & St. Hugh's. The girls played extremely well recorded games against the two sides from Barlborough and defeats to St. Hugh's, 2-1 and Westbourne, 2-0. Jemima Speller was the standout player for the day; however, all the girls contributed to a great afternoon.

Magic Day - Thursday 1st December 2016

As you are aware we have a 'magical' theme running across our curriculum this half-term. On Thursday 1st December 2016, the children can come to school dressed up as something 'magical'. This may be a character or an object from a book. It may be something that the children consider to be magical like stars or unicorns or something to do with Christmas. The choice is up to them.

In addition to dressing up, the children have also been given a small star shaped box to decorate which they should bring on Magic Day. They can put their idea of something magical in the box for example something written on a piece of paper or some small object that they might consider to be magical such as a shell collected on a memorable family holiday.

We hope they have fun coming up with ideas for dressing up and for decorating the boxes. We are all looking forward to this magical day!
