Year 3 & 4 Girls Games Club

Year 5 & 6 FITA Archery Club

Lockerbrook Farm Activity Week - Monday 5th June - Friday 9th June 2017

Despite the poor weather the Year 5 & 6 children enjoyed their first Activity Week at Lockerbrook Farm. Children took part in a full programme of activities which included new venues and some different activities. Both Year Groups experienced the 'Crate' Challenge at Lockerbrook Farm, Year 6 enjoyed the Gorge Scramble at Fairbrook Naze whilst Year 5 completed some amazing Task Challenges. A presentation evening to showcase pictures from the week and to discuss 2018 will be organised in due course. Please keep your eyes on the Calendar for details...

Creative Week visit to Magna, Sheffield - Tuesday 6th June 2017

On Tuesday 6th June 2017 children from Reception through to Year 4 all had a fantastic time at Magna! The day began with the 'Kitchen Sink Workshop' where Dave, from Magna, showed us how to make and test hot air balloons; Alexander, Chloe and Frederick were helping with this investigation. Can you work out who was helping Dave below to make rocket launchers? We are going to try and make our own rockets and launch them in the playground very soon! We visited four pavilions which focussed on the elements of fire, earth, air and water and we all enjoyed investigating and experimenting. The Big Melt was amazing; it was noisy and a bit scary at first but very interesting as it showed us how the steel was made in the past.

Healthy Eating Assembly - Wednesday 7th June 2017

On Wednesday 7th June 2017, Isobel, who works within the NHS, came into school to talk about the benefits of healthy eating. Her job is to help people choose healthy meals, usually those who have been affected by strokes or who have learning disabilities. We were reminded that a healthy diet includes food from each food group and that unhealthy food is fine from time to time. We designed a healthy meal on a big plate and also learnt how much sugar is in various drinks. Isobel spoke about a healthy lifestyle which includes food, drink, sleep and exercise.

Sport Assembly - Thursday 8th June 2017

There was NO Sport Assembly held on Thursday 8th June 2017 due to the Year 5 & 6 children being absent on Activity Week. The next Sport Assembly will be held on Thursday 15th June 2017. If any other pupils gain sporting success away from school and would like to be recognised during the Sport Assemblies please contact Mr. Lamb on pedept@spsp.org.uk

Healthy Eating Week: Monday 12th June 2017 - Friday 16th June 2017

On Monday 12th June - Friday 16th June 2017, we will be taking part in Healthy Eating Week. This is a nationwide event which we have taken part in over the past 3 years. This year, we will be focusing on a healthy diet and reminding children to make healthy choices. We will have some assemblies and lessons explaining how a healthy diet does not just mean eating fruit and vegetables! We will emphasise exercise and moderation as part of a healthy lifestyle.

In order to celebrate our love of food, we have decided to host our first ever 'Bake Off'. Each Year Group has been allocated a day on which they can bring in their home-baked contribution. If your child would like to enter, please bring their entry to the Dining Hall, clearly labelled, on their specific day.

The entry does NOT need to be considered a healthy meal. We want children to remember that eating well is about a variety of foods from various food groups and everything is in moderation. This is a fun way to enjoy baking at home!

One winner from each Year Group, chosen by our kitchen team, will be announced. All winners will need to bake their entry again for the Final on Friday 16th June 2017. The winning dish will be chosen by Isobel and the Mayor of Chesterfield. Parents are welcome to join us for a special assembly where prizes will be awarded by the Mayor.

For further details, please see the Locker Posting added on Tuesday 23rd May 2017.

Music Performance Assemblies - Wednesday 21st June 2017

On Wednesday 21st June 2017 the Music Department will be hosting an 'informal' Music Performance during Assembly time. Children from within the school can volunteer to perform and parents are more than welcome to come along to listen. Please speak with Miss. Jackson if you wish to perform.

In the 'Lockers'...

In order to improve communication and to ensure that parents do not miss any important information that has been added to website via the school lockers, below are details of posts made this week:

1. **Lockerbrook Farm Updates (Year 5 & 6)** - posted from Monday 5th June 2017
