

## Happy New Year

Despite the poor weather this week it has been a wonderful start to the new term. Welcoming every child to school on Monday filled with enthusiasm and excitement has been a joy to see. Happy New Year to our whole school community.

## Worksop College - Apollo 5

On Tuesday Year 4 had the privilege to perform alongside the astounding Apollo 5 choir. They completed a singing workshop and then performed live to a packed audience at the end of the day. Congratulations Year 4 - you are credit to SPSP.

## Parking: A polite request.

At collection time please ensure you park in the main car park and not in front of the main playground gates. This area must remain clear for emergency vehicle access, as well as maintaining visibility for children and families at the crossing to the car park. Thank you for your cooperation in this matter.
