

Gou Nian Hao

On Monday the whole school celebrated the start of the Chinese Lunar New Year. There were many exciting lessons going on throughout school including maths using Chinese numbers in Year 1. The children also enjoyed trying master Chop Sticks for their new year banquet.

Friends of SPSP

The Friends of SPSP would like to make you aware of the Easyfundraising Scheme. This initiative gives back money to school from your online purchases without any additional costs to yourself. Please sign up here:

Australia Day

On Thursday the school celebrated Australia Day. Our resident Aussie, Mr Mico, lead a wonderful assembly educating us all about Australian culture and traditions. The children then experienced a traditional Australian lunch. They participated in Australian playground games and enjoyed Fairy Bread and Lamingtons for snacks.

Thank you Mr Mico for a 'Bonza' day!

Sports Fixtures

The Netball and Football season got into full swing this week. The u9 Netball team showed excellent improvement and determination at the Barlborough Festival. The u11's made their season debut at Wellow House showing super progress with some brilliant through court play. Well done girls.

On the Football pitch the u11 boys were a formidable force in their fixtures at Barlborough Hall. Their desire and commitment was a joy to see as they played with both creativity and maturity. Keep up the great work boys!

Year 3 Burns Night Assembly

On Wednesday, Year 3 treated their parents to a fun fact filled assembly all about Burns Night. We enjoyed some wonderful Ceilidh Dancing and were presented with lots of history about Robert Burns and the Scottish traditions celebrated on Burns Night. Thank you, Year 3 and Mr Gregory. Congratulations also goes to those pupils who received an achievement award for outstanding work in class and specialist subjects, as well as following our Guiding Star Values.

Library

It has been wonderful to see so many families accessing our school library. When using our library after school, please enter and exit the school building via the conservatory from the playground and sign in and out on the relevant form in the library. Thank you.

School Council.

Today was the first school council meeting of the New Year. It was a very productive meeting where the school council set out their expectations and brought forward suggestions for improving our school. More on this soon.

Coming up next week...

Tuesday - u9 Football (A) & Netball (A) vs Westbourne & Wellow House 2pm.

Wednesday - u11Football (H) & Netball (A) vs Barlborough Hall, 2pm.

Thursday - SPSP Musical Showcase, 9am.

Friday - Wear Red in Feb for Children's Heart Surgery Fund.
