

Mental Health Awareness Week

This week we have been participating in a variety of activities to further promote our mental health and well-being. From an assembly all about friendships delivered by Father Patrick, tennis sessions with Chesterfield Tennis Club, to wellness walks, the morning mile and a cycling trip for Year 6. There were lots of activities to promote mental health also taking place within the classroom.

SPSP Musical Showcase

Congratulations to every single performer at our Musical Showcase on Thursday morning. There was an eclectic mix of genres on show and for the first time we were treated to group performances. Well done to our young musicians, your confidence and dedication shone through. Thank you, also to our talented music department, led by Mrs Hall, for creating such a wonderful opportunity for the children.

Year 1 – Painted Ladies

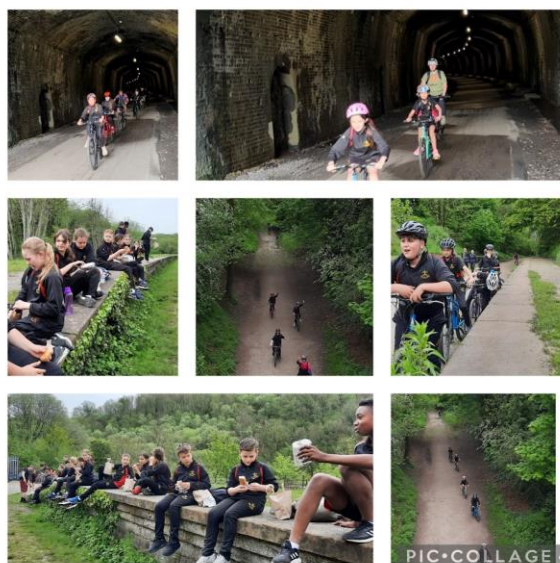

After carefully following the lifecycle of a caterpillar, the Year one Class released their Painted Lady butterflies into the wild as part of their Forest Schools programme this week. Very exciting Year 1!

Year 6 Bikeability & Monsal Trail Trip

With SAT's now completed, Year 6 were pedal ready as they participated in their Bikeability training this week, initially on the playground and then on to the roads local to SPSP. They then received the opportunity to put all their skills to practise as they tackled the tunnels and tracks along the Monsal Trail on Thursday. The sun decided to shine and after completing in excess of 12miles, they returned to Hassop Station for a well-deserved ice Cream.

U11 Rounders vs Westbourne

Congratulations to all of our Year 5 & 6 girls who represented our school so well against Westbourne this week. Fantastic fielding and batting were on display, which coupled with their effective tactics, ensured two wins for SPSP. Keep up the great work girls.
