

U9 & U11 Athletics

Much fun was had in the sun this week at the Barlborough Hall Athletics Festivals. There were thrills, spills and victories aplenty, as our representative gave their very best in every track and field event throughout the afternoon. Congratulations to all of our athletes for aiming high and their excellent effort in the warm weather conditions.

Year 1 Trip – The Alpaca Farm

To conclude their Geography topic 'Animals Around the World', Year 1 visited The Mayfield Alpaca and Animal Park on Thursday. They had lots of fun feeding and petting animals such as Armadillos, Corn snakes, Ferrets....and some brave children even held a Tarantula! A very exciting day Year 1!
