

## *A Warm Welcome Back*

It was wonderful to open the school doors and to welcome every child to SPSP on Wednesday. Seeing everyone refreshed, looking smart, with huge smiles on their faces, as they greeted their friends, was an absolute joy to see. Our new Reception Class have settled in very well, along with our other new starters throughout school. We are all very excited for the year ahead and all the excitement it will bring.

## *MND Awareness Coffee Morning*

Next Thursday we would like to invite you to our first charity event of the Year. Motor Neurone Disease is a condition that has had a significant impact on our school community in recent times. If you can lend the time to support this very worthy cause, then please do come along to the dining room from 8:35am.

Mrs Austin will be completing the National Three Peaks Challenge for the Rob Burrow Foundation on Saturday 16<sup>th</sup> September. A link to her just giving page is here:
