

Enrichment is go!

It was a wonderful to see the planning come into effect as our Enrichment Programme began this week. The take up for activities has been phenomenal and it has been fantastic to see the school buzzing with excitement in the evenings. Thank you to our staff for giving so freely of their time to make this happen for the children.

MND Awareness Coffee Morning

Thank you to everyone who supported our MND coffee morning on Thursday. Your contributions raised a sum of £410 for this most important charity , which is very dear to many families within our school community.

Mrs Austin is fully prepared for her Three Peaks Challenge this weekend. We wish Mrs Austin our very best as she tackles Ben Nevis, Scarfell Pike & Mount Snowden in just two days! If you would like to contribute to her incredible fundraising effort then please follow this link:
