

Year 5 Eyam Local History Visit

Our Year Five Class spent the day in Eyam on Wednesday learning all about the history of the village. They visited Eyam Museum where they also discovered further facts and figures about the impact Eyam had in eradicating the plague in the 16th Century.

Awesome Mrs Austin

Huge congratulations to our amazing Mrs Austin who scaled the three tallest mountains in the UK in 48hrs last weekend for The Rob Burrows Foundation. Mrs Austin raised in excess of £2200. We look forward to hearing all about her adventures in assembly next week, when hopefully, her blisters have fully recovered! You are an inspiration to us all Mrs Austin!

Rugby World Cup Day

Our whole school came together to celebrate the Rugby World Cup 2023 currently taking place in France. Lots of facts and figures were shared and the children enjoyed a cross curricular theme as a part of their lessons. There was even time to send Mr Mico a get well soon message, who we are pleased to report is making a good recovery!

Year 4 Bikeability

The Year Four Class were put through their paces on their way to achieving Level 1 Bikeability this week. They developed their balance and control and thoroughly enjoyed lots of fun games, especially the slow bicycle race, on our playground.

Our School Motto -reminder

Submissions for our new school motto close on Tuesday. If your child wishes to create a motto of no more than three / four words then please follow this link.

<https://forms.gle/EjTHDaHPpSL0JGk68>

Thank you to those children who have already submitted an entry.

School Council Elections

Thank you to every child who put themselves forward for election to the School Council. The votes have been counted and we look forward to announcing the results in our assembly next week.
