

European Day of Languages

The children were treated to a cultural tour of the world as they came together to celebrate the European Day of Languages 2023. Senora Whetton began the day with an engaging and informative assembly all about greetings. The children also enjoyed a cross curricular languages theme in lessons and experienced Japanese as a part of language lessons. There was also the opportunity to enjoy a tapas style lunch with a variety of dishes from different regions of the world. Muchas gracias por todo Senora Whetton!

The Monsal Trail Trip – Year 6

The year 6 were pedal ready as they tackled the Monsal Trail on Thursday. They took responsibility for navigation, leading their group and ensuring the countryside code was followed at all times. They demonstrated that they are a group of future leaders and represented SPSP admirably. Lots of fun was also had throughout the day as they completed more than 12 miles!

School Council Elections

Firstly, thank you to every child who put themselves forward election to the School Council. There were two members elected from the Year 1 to Year 6 classes. They were straight to work as they participated in their first meeting this week. High on the agenda was the new school motto and playtimes.

School Council 2023-24
