

### Restart a Heart Day – CRH – CPR Workshops

The Children were very fortunate to receive a visit from staff at Chesterfield Royal Hospital including parents Mrs Barber and Mrs Whileman. The children practised their emergency response and performed CPR to the Bee Gee’s Stayin’ Alive. Important life skills for our KS2 children.

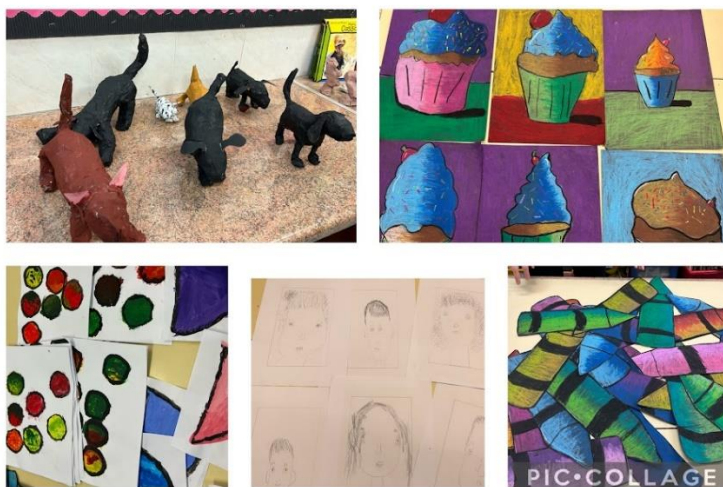

### U9 Rugby & Hockey

Well done to our Year 3 & 4 rugby players in their matches vs Westbourne at home on Wednesday. Lots of well timed tackles and brilliant support in attack made for a fantastic afternoon. Over in Sheffield on the Hockey field our, Year 3 & 4 girls enjoyed two very close fought games which were played with a competitive spirit and lots of great goals scored.

### Amazing Art

The children across all classes have produced some fabulous work in recent weeks using many different methods and mediums!

### The SPSP Musical Showcase

It was wonderful to bring our musicians together for their first performances of the year on Thursday. They treated their audience with beautiful performances on the flute, guitar and piano to name but a few. Congratulations also goes to our many vocalists who performed their solos with confidence and perfect pitch.

### Reception Class -

### Trip to Matlock Farm Park

Our inquisitive Reception Class had a fabulous day at Matlock Farm Park learning about seasons and hibernation. They also had time to pet some animals and even had a trip to the pumpkin patch to pick their very own pumpkin.

*Wishing you all a fabulous half term on behalf of everyone at SPSP!*
