

## Year 5 Assembly – Stronger Together

The Year 5 Children took to the stage on Thursday morning to present their assembly, “Stronger Together”. The story of David and Goliath was the theme, as they educated their audience about bravery, courage, and faith. The message of working together was eloquently delivered and supported further with beautiful singing and a musical performance of The World in Union. Thank you, Year 5 and Mr Mico, for a fabulous assembly. Congratulations also to the children who received a Guiding Star or Achievement Award from Mr Newton.

## Sports Fixtures

Our U9 Hockey players enjoyed a successful afternoon at Barlborough Hall on Tuesday. Great tackling, determination on the ball and many successful shots on goal was the theme. Keep up the brilliant work everyone. On the Rugby pitch our u8 players once again showed their promise, improving on their performance last week with greater positional awareness. Our u11 Rugby players travelled to Ranby House on Wednesday for a thrilling afternoon of Rugby. Mr Mico is delighted with the progress that the team has made this season, and we are all very much looking forward to carrying this momentum forward in their fixture with Wellow House next week.

## Congratulations Mrs Hall

Mrs Hall swapped her tambourine for trainers last weekend as she conquered the Clowne Half Marathon. In dry but tough conditions Mrs Hall’s training paid off as she breezed through in a time of 2 hours, 10 minutes, and 55 seconds. She has recovered well and was back in training this week preparing for her next events, one of which will be the Chesterfield 10k.

## *The Crooked Spire Music Team Assembly*

On Wednesday the Music Team from the Crooked Spire delivered a singing assembly to the children. Once their voices were warmed, up the children brought our hall to life as they sang a modern version of One More Step. Thank you to Mr Black and Mr Sheppard from the music team.
