

Reception Class Nativity – The Sleepy Shepherd

The festive season got into full swing on Tuesday morning with the Reception Class Nativity. The class presented the Nativity Story so beautifully. From poignant and reflective moments, to entertaining Shepherds, the Reception Class Nativity left everyone feeling that preparations for Christmas have well and truly begun.

Advent Assembly – The Story of Saint Nicholas

Father Patrick visited school on Wednesday and delivered an insightful assembly about Saint Nicholas. Being kind and thankful were some of St Nicholas’s traits and the children reflected on how they could make a difference to somebody’s life with an act of kindness. Thank you, Father Patrick. We were also wowed by the school band who performed an exciting version of the Star Wars theme tune!

Sports Fixtures

Our u11 Rugby players demonstrated their progress this season with a fine display of Rugby as their season culminated with a visit from Barlborough Hall. Energy, enthusiasm and commitment enabled a very polished performance on the afternoon in testing conditions. Congratulations for a fantastic season everyone!

The Christmas Fair and Christmas Disco's

A heartfelt thank you to The Friends' of SPSP for once again organising two fantastic events this week for our pupils. There was lots of Christmas merriment and joy at the respective discos and the Christmas Fair was once again a huge success. Both afternoons were thoroughly enjoyed by the children and important funds raised were raised for our school and also Save the Children charity.
