

Welcome to the World – Jessica Ruby Hawkins

On Tuesday 30th April Mrs Hawkins gave birth to Jessica. Weighing 7lb 3oz, we are delighted to say Mum and Jessica are doing very well. We are all very excited to meet Jessica soon. Many congratulations to Emma and Dan, as they welcome their new arrival into the world and grow as a family.

Mrs Higgins – Barrister, Solicitor and a Mummy.

Aime Higgins

Barrister, Solicitor, Mummy

On Wednesday, Year 2 parent Mrs Higgins, delivered an insightful, fun and inspirational assembly to the children about her work in law, both as a Solicitor and Barrister. Mrs Higgins specialism is Human Rights Law and she shared with the children the important work she is currently undertaking to help women and children who are caught up in conflict throughout the world. Mrs Higgins’ assembly was highly motivational and her passion for her profession shone through. She talked to the children about how she came to choose her career explaining that, at a young age, she was inspired by her favourite TV show, and knew she wanted to be able to help people just like they did. Hence she went on to follow her dream and pursued a career in

law. Truly inspired to help too, the School Council have now been tasked with organising a fund-raising event so that we can generate much needed funds for basic provisions such as shelter, water, food and medical supplies, with the theme Children Helping Children.

The Friends of SPSP

We are delighted to inform you that funds raised by our committed group of Friends are being put to great use! In the first round of funding, the Friends of SPSP have purchased 10 balance bikes, 10 scooters and 20 helmets for the Early Years (Reception, Y1 & Y2). We hope to see these in use next week. The children are so very excited!!

We are also very excited as we will be hosting Early Years Balance Bike sessions, which will be delivered by former Olympian, Phil Bateman, later in June.

Our next investment will be towards our Forest School. We are looking to further develop this area in line with our commitment to extend this provision to all years from September 2024. More on this soon.

Friends of SPSP DIY Day

Thank you to Lisa, Tracey and Ainsley, members of the Friends of SPSP, who gave up their Saturday to tidy, clean and paint the EYFS outdoor area, in readiness for the arrival of the new equipment. With the space now refreshed, the children in Reception and Year 1 have been enjoying time outside, playing in the mud kitchen, potting shed, sand pit and much more. Our heartfelt thanks to you for all your efforts – what a difference you have made, it looks amazing!

Ducklings!

We are now nearing the end of the incubation period and expect some new arrivals in school later next week. Suggested names for our ducklings will be greatly received by our class teachers from the children.

Reception Class Parents Assembly

Our Reception children were missing in action this week, and in their place were a whole heap of pets and animals! Not just ordinary animals, but ones that could talk, dance and sing too. They had so much fun performing a well rehearsed assembly about our 'Amazing Animals & Pets', teaching us all about how to look after them and the care that they need. The 'Pet Shop' song was particularly enjoyable. Thank you to everyone who joined us for a spectacular performance - we hope you enjoyed it as much as we did.

Coming up Next Week

- Monday to Thursday SAT's - Year 6 only
- Tuesday U8 & U9 Cricket vs Barlborough Hall (A) 2pm
- Friday SPSP Children's Well Being Day inc. Be Mind Kind KS2
